

How to Start a Student Work Experience Program

Ready to Get Started?

- Find potential students by contacting local **high schools, colleges/ universities, and vocational schools.**
- Determine **the length of time** the student will be in the program.
- Set performance and duty **expectations.**
- Get acquainted with the **Student Learning Map** and the related **educational resources** on ChoiceU.com.
- Ensure team members who will be working with the student **know their responsibilities.**

Review the **Student Work Experience resources** on **ChoiceU.com** for more ideas!

**Learn. Perform.
Achieve.**
