The Choice Connection Integration Update: choiceADVANTAGE Input Survey Coming Soon

The Choice Connection is your source for updates on every step of our integration journey. Be sure to check out the archives posted on CONNECT — click on the Choice Hotels + Radisson Hotels Americas quick link.

The SkyTouch Technology team, which is the division of Choice Hotels responsible for the property management solution, has been working to align plans for making choiceADVANTAGE® ready for many of your hotels.

We are looking for your help. In order to ensure a smooth transition to choiceADVANTAGE, your hotel will receive a survey soon. This survey is designed to capture information about the computer hardware you currently use as well as the on-property interfaces you have with other systems at your hotel, please be sure to complete it once you receive your invitation. It has been designed to take as little of your time as possible. Please be aware that the survey will be sent to you via email from the skytouchtechnology.com domain.
