

## Choice Billing Alert Special Edition News to Use

During the transition to Choice's billing platform, franchise invoice payments made between February 2023 and July 2023 were inadvertently duplicated on your most recent statement. We have also identified additional discrepancies that we are working to resolve.

Our accounting department is working to issue corrected invoices. We appreciate your understanding and will notify you as soon as updated invoices are available. Please contact [billing@choicehotels.com](mailto:billing@choicehotels.com) if you have any questions.
